

Gatsby Benchmark 2

Learning from career and labour market information

What good looks like ...

- All students and parents should have access to high-quality information about future study options and labour market opportunities. They will need the support of an informed adviser to make best use of available information.

What good looks like ...

- By the age of 14, all students should have accessed and used information about career paths and the labour market to inform their own decisions on study options.

What good looks like ...

- Parents should be encouraged to access and use information about labour markets and future study options to support their children.

Career and Labour Market Information (LMI) includes information on:

- skills, career pathways and progression routes in the
- local labour market;
- job applications and interviews;
- educational institutions, courses, qualifications, entry
- requirements and costs;
- professional bodies;
- employment sectors, employers, jobs, salaries and
- employment trends;
- jobs, training and apprenticeships;
- job demands and working life;
- financial planning.

Annual Reviews

- Opportunities discussed in Annual Reviews and follow-up conversations with young people/parents/carers.
